

There ain't no such thing as a free lunch!

This phrase, much used by American industrialists such as Henry Ford, is a reminder that nothing is ever free. Someone, somewhere, has worked to produce it, or has paid – or will pay - for anything and everything that is described as “free”. Yet we live in a world of “free offers”, “buy one, get one free”, “0% credit” and so on. Some of these offers tell us of the true value of the items we buy. Often “free gifts” turn out to be something we can't use or don't need. Sometimes it's a more insidious approach, such as the “Gillette Principle” (give away razors, and make money on razor blades).

All of these things play on human gullibility and greed. Hardly a day goes past without my post containing something designed to tempt the “something-for-nothing” generation. In the end, we all pay. Most of the time, if we but knew it, we face inflated prices somewhere else. We pay the human cost of those who are tempted to over-extend themselves by offers of “free” prizes and “free” credit. We suffer the environmental effects of overproduction and excessive waste. There ain't no such thing as a free lunch!

Even the promise of Heaven isn't “free”. It didn't come cheaply. It cost a lot of humility, obedience, pain and ultimately a cruel death. The good thing is that the price has already been paid, in a crib and on a cross.

Details of Special Services

9th September - Savernake Team Walk and Picnic – (full details are on the church notice board) The plan is to meet at St Nicholas' Church, East Grafton at 10am with picnic contributions in plastic boxes (cold drinks, wine, plates, cups, cutlery etc. will all be provided). 2.5 mile walk to Wexcombe Down for a Service at 11.30am followed by picnic. If wet these will take place in the barn at Manor Farm, Wexcombe. Dogs on leads welcome.

16th September - Pets Service at the Village Hall. Canon Alan Deboo will lead this for us. You may not have been to such a service before but it is strongly recommended! It's a lovely opportunity to praise God for our animals and love of nature! We hope that many will come, with or without a pet, for a short celebration (and a cup of coffee afterwards perhaps). A small brass band will provide the music for us; all pets and people welcome!

Advance notice: the Harvest Festival and Harvest Supper will both be on **Sunday 7th October**. Supper tickets available in early September, as usual, from the Browns, the Aldersons and the Woods.

Dates

No **Sunday Club** in September.

The **Monthly Munch** will be on **Wednesday 5th September** at 1pm at Providence Cottage.

Choir rehearsals resume on **Wednesday 5th September**, 7.30pm in the Church.

An **Alpha Course** will be held in Burbage Church Centre again this year and people from all over the Savernake Team will be welcome. As an introduction to the Course, they are hosting a **free Supper in Burbage Church Centre on Wednesday 12th September**. If anyone would like to go along to the Supper (without having to commit to the Course) please let Janet Hartwell know on (day) 01672 513686 or (evening) 01672 810839.

Eight Monday evenings of Bible Study

Bringing together members of the church from Chute, Ham and Shalbourne, the Autumn Home Groups will start on Monday 8th October for eight sessions, and will look at the book by the new Bishop of Oxford 'How to explain your faith'. The first meeting will be at Downs Cottage, Shalbourne, at 7.45pm for 8.00pm, to finish by 9.30pm. These will be very open, informal and interesting meetings, and anyone who is curious and would like to come along would be made very welcome. Contact Vikki or Amanda, and they will also have future venue details.

A VERY BIG THANK YOU to everyone who helps keep the churchyard looking so good, but a special one is due to Rick Tweed, John Duckney and Bill Catt who gave up a sunny Saturday morning for some major tidying with the shredder etc. You have made a big difference, and it is much appreciated!

Thanks also to everyone involved with Holiday Club – to the children who came and to the excellent helpers – Anne, Lesley, Vikki and Gwen. There wouldn't have been a Holiday Club without you, and we're very grateful.

Access to opticians' services for those with mobility problems

The issue of access to opticians for those who are housebound, or do not have easy access to transport, has been raised recently. Our 'Link' scheme can offer the chance for people to get to these services but there is also another alternative. Some companies offer a mobile opticians' service which can provide sight tests and glasses in your home. An internet search for "mobile opticians" can bring up a number of these companies and some are listed on the following webpage :-

CHUTE WEDNESDAY CLUB

It was a beautiful sunny day for our Garden Party and well attended by members and friends. Thank you to all who helped in any way on the day and to the many who gave so generously. Special thanks to Rick Wall and his helper who erected and dismantled the marquees for us, this was a great help.

We were also lucky with our visit to The London Eye as the afternoon was dry and sunny. We had a very good view all round and it was an experience enjoyed by many for the first time.

The next trip on Wednesday September 19th is to Swanage there are not many seats left on the coach so book one as early as possible if you would like to go.

CHUTE PARISH NEIGHBOURHOOD WATCH SCHEME

DO WE WANT IT?

What sort of a daft question is that? Of course we want our Neighbourhood Watch Scheme. How else can we be sure we will be told about any possible problems such as local crime or something or someone suspicious? How else can we be sure that someone will keep an eye on things for us when we are out? Or, if we are going away for longer, that someone will also make sure there are no give-away signs for opportunist criminals – like the mailbox overflowing or deliveries left at the door. It doesn't take much effort – we just need to be a bit organised and look out for each other.

Well, that's the reaction I get around the Parish - and the Scheme still seems to be working after all these years - doesn't it? For example, my neighbours and I still have an arrangement to watch each other's house when we are away for a while. Unfortunately though it doesn't seem to stand up to closer scrutiny. For a start it turns out that the Local Co-ordinator published in the Chronicle is wrong – there isn't one! Tim Harker does look after Police liaison matters on top of his other Parish Council duties, but he has no formal role in the NW Scheme – no more than any of us. So, the vital routine liaison link to our professional Police is not actually in place.

Chute Parish Council is keen to do what it can to help 're-invigorate' the Scheme. To this end my Members propose to begin by confirming an up-to-date network of 'Local Contacts'. We can then arrange a Neighbourhood Watch meeting at which these contacts could take over and elect a 'Parish Co-ordinator'. Councillor Harker would then be happy to act in his Police Liaison role and help to re-establish the links with Wiltshire Police Neighbourhood Watch staff. **To get the ball rolling would the following please get in touch with me as soon as you can – a telephone call on 730782 is fine:-**

All the local contacts listed in the Chronicle – to say if you are happy to continue to take part in the Neighbourhood Watch Scheme – or at least to consider it.

Any other folk - to say if you might be interested in becoming a 'local contact' in the Scheme. As I said above, it's not very demanding but it does play a vital role in the community.

David Clark
Clerk to Chute Parish Council

CHUTE CRICKET CLUB

We must be grateful for small mercies – our pitch has withstood the weather much better than many others including Worcestershire County CC which is out of use for the rest of the season – and they're professionals!

August can probably best be described as a varied month with all 4 games producing very different results!

- We played a Dan Staff Colts XI on Sunday 29th, beating them by only 4 runs. Paul Struthers top scored in Chute's 126 with 51, while Paul and Chris Stock shared the bowling honours (2 for 11 off 8 overs, and 2 for 19 off 5 overs respectively) restricting Dan's XI to 122 all out. A victory for CCC but, as importantly, it was wonderful to see a Junior XI playing so well in Chute.
- We also remain unbeaten against Inkpen CC; their pitch was water logged for the away fixture, and on probably the best day of the month weather-wise, they couldn't get a team together for the home fixture!
- In playing Linkenholt CC, away, we cannot escape the fact that we were soundly beaten by a better side, a Sunday side which is generally reckoned to be better than their League side, and which included a Hampshire Colt player. Again, Paul Struthers top scored in CCC's 98 for 8 in the allotted 35 overs, but this was not enough, the 'Holt' amassing 104 for 1 in only 13 overs.
- And finally, for the first time in its 5 year history, Chute CC's match against the Chris Stock Family XI was rained off, unfortunately not until some of the visitors had driven 130 miles!

Or won one, lost one, and unbeaten twice!

Two fixtures remain to complete our first expanded fixture list, and they're both very special. On Sunday 2nd we have a re-match against Linkenholt CC, at home; while on Sunday 9th, we're delighted to welcome back many 'old boys' of Chute CC to play the current batch of CCC cricketers – that should be a real Chute event. Everybody is welcome to support us at one or both matches.
